Hough rent for the Arlepet dispensary building at Rs 20 per mensem was sanctioned by Govt in their order of 24.3.1900, a sum of Rs 15 per mensem is being paid as rent for the building, as the landlord reduced the rent from Rs 20 to Rs 15 of his own accord. The charges on account of the Arlepet dispensary are met from the district funds of the Bangalore Dist & the funds of the Bangalore city Munl Council in the proportion of $\frac{2}{3}$ rds & $\frac{1}{3}$ respectively. The source in the current year's budget from which the charge will be met has not been pointed out. It is a question whether the Dist Board of Bangalore & the Bangalore City Munl Council should be consulted as to their willingness to contribute towards payment of rent at the increased rate which has been already sanctioned once by Govt.

I am in receipt of your letter of 27th ultimo.

I am surprised to hear from you that my application to increase the rent to Rs.20/- which was the figure originally sanctioned, is still pending disposal. It was sanctioned by the Municipal and District Boards, but now the sanction of Government would seem to be required. I am tired of writing for more than a year. It is for you to obtain the necessary sanction and see the amount paid to me. I will not accept Rs.15/- but will want Rs.20/- from 1st July 1912. Please do the needful and settle the matter early.

Sir,

Adverting to your docket No. 943/Med.12-13-3 dated
1913 22nd July 1914, re the payment of rent at the increased rate for the Arlepet Dispensary, I have the honor to forward herewith copies of resolutions of the District Board and the City Municipal Board, Bangalore, passed at their meetings held on the 21st February 14 and 23rd May 12, respectively, from which it will be seen that while the latter has expressed its willingness to meet the increased rate of expenditure, the former has not only avoided giving a direct answer to the question raised, but has found an opportunity to seek for complete exemption from bearing any portion of the expenditure in connection with the Dispensaries situated within the City limits. This was a fit subject for a separate reference for the orders of Government. The Board's resolution in no way helps the disposal of the present claim.

2. Pending suitable orders on the question raised by the District Board, I would request that you will be so good as to obtain the orders of Government for the disbursement of the rent at the increased rate, which is in arrears since July 1912 and for the payment of which the owner of the

Regarding the increased rent for the Arkalgud Dispensary

building is pressing.

3. The building is in the possession of Government without any hinderance and the non-payment of the rent on account of delay in settling the sources from which the amount has to be met by the several Funds responsible, may not appeal to the mind of the owner as just, who may perhaps claim interest should the payment be further delayed.

4. I, therefore, solicit early orders of Government in the matter. A copy of the City Municipal President's letter pointing the definite source, is also herein enclosed for reference.

Sir,

Your most obedient servant,

Senior Surgeon, Mysore Government

Letter No. 434 dated 22/25th August 1913, from the President, Municipal Council, Bangalore City, to the Senior Surgeon in Mysore, Bangalore.

With reference to your Memo No. 421-22 dated the 29th Ultimo, I have the honor to invite kind reference to my letter No. 2634 dated 6-6-1912, and to request you to be so good as to move the Government to sanction the payment of house rent to the owner of the building in which the Arlepet Dispensary is located at the enhanced rate from the commencement of the past official year, as the Municipal Council has signified its consent to bear the one-third cost at the increased rate from the Municipal Funds by passing a resolution in the meeting held on 23-5-1912.

2. Although necessary provision had been made in the City Municipal Budgets of the past and the current year, the charge has been disallowed - probably for want of special sanction.

3. The one-third cost to be borne by the City Municipality, which amounts to Rs 20/- for the past year, may be met from the unexpended balance of Rs 73/- provided under "C.5-Contingencies" and that required for the current year from Rs 130/- provided under "E-Public Health and Convenience,3 Medical Relief including Vaccination."

4. Since the house rent is in arrears for the past 14 months, I request you to be so good as to obtain early sanction thereto.

5. A copy of the resolution of the Council dated 23-5-1912, is also forwarded for ready reference.
